

Call for papers

Dear Colleague,

The International Journal of Structural Integrity – IJSI was launched in 2010 and is published in partnership with the European Aeronautics Science Network – EASN. The IJSI aims at a broad coverage of structural integrity issues, including material characterizations from the fracture and fatigue perspective, numerical modelling of those phenomena in materials and real structures, failure analysis methodologies and structural integrity evaluation criteria.

The 2nd International Conference sponsored by the journal, will take place in place in **Funchal/Madeira, Portugal on 1 - 4 September, 2014**. <http://ijsi2014.inegi.up.pt>

A selection of papers will be published in the International Journal of Structural Integrity, indexed and abstracted in: British Library, EBSCO, EI Compendex, INSPEC, QUALIS, Scopus.

It will be a great pleasure and honor to welcome you to Funchal, Portugal next September!

Best Regards,

Pedro M G P Moreira, Conference Chair
Paulo J Tavares, Conference co-Chair
Chris Rodopoulos, Editor in Chief.
